Current issue date: 25 January 2025
Expiry date: 24 January 2028
Certificate identity number: 10662603

Original approval(s):
ISO 45001 - 22 December 2020

Certificate of Approval

This is to certify that the Management System of:

SENER Aeroespacial, S.A.

Avda. Zugazarte 56, 48930 Las Arenas-Getxo, Vizcaya, Spain

has been approved by LRQA to the following standards:

ISO 45001:2018

Approval number(s): ISO 45001 – 00016198-021

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support of activities, equipment and systems in the fields of space, defense, science, broadcasting and air traffic control besides installation in the field of broadcasting. Design, production and after-sales service of devices for inoculation and sowing of microbiological samples, incubation and storage for laboratory automation and its consumables.

Marta Escudero

Regional Director, Europe

Issued by: LRQA Limited

UKAS MANAGEMENT SYSTEMS 0001

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
